Foreword

OUR LIVES, LIKE THE FASHIONS AND STYLES OF TODAY, ARE IN A STATE OF CHANGE. LOOKING BACK OVER OUR FOUR YEARS IN HIGH SCHOOL, WE CAN RECALL MANY MOMENTOUS CHANGES IN OUR LIVES EACH YEAR: OUR TEACHERS, OUR SCHOOL, OUR INTERESTS, OUR ACTIVITIES, OUR ATTITUDES --- ALL HAVE CHANGED. WE ALSO HAVE LEARNED VALUES THAT DO NOT CHANGE OVER THE YEARS --- KNOWLEDGE, MORALS, AND DEEP FRIENDSHIPS.

DAYS AT LUTHER JACKSON ARE NUMBERED --- BOTH FOR THOSE WHO SOUGHT AND FOUND AND FOR THOSE WHOSE QUEST IS YET UNSATISFIED. CHERISHED THOUGHTS ARE MANY AS WE RECALL OUR REWARDS FOR WORK WELL DONE, OUR ENTHUSIASM FOR EXTRACURRICULAR ACTIVITIES, AND OUR GOAL FOR GRADUATION. EACH DAY BRINGS ANOTHER CHALLENGE, ANOTHER TRIAL, OR AN ATTAINMENT.

THIS, THEN, IS THE STORY OF OUR DAYS AT LUTHER JACKSON IN THIS SCHOOL YEAR 1963-1964.

ADMINISTRATION FACULTY, and STAFF

Mr. T. M. Williams, Principal

Principal's Message

To: Members of the Class of 1964

I am pleased to extend to you congratulations on behalf of the members of the faculty and the Fairfax County School Board. You have contributed much to your school and community and we are proud of your accomplishments.

"No person is ever honored for what he receives; honor and happiness will be your reward for what you give." I feel that your future will be one of success and happiness if you will keep this thought in mind.

We hope that you will continue to grow and gain much from your experiences at Luther Jackson High School.

I congratulate you and your sponsors for the development of this fine annual and for your many accomplishments during your high school career. I do sincerely thank you for granting me the opportunity to participate in this way in your annual.

During your high school career, many things have been said and done both by you and your teachers. It is my hope that, through this association, we have inspired you and challenged you to the extent that you will continue to move forward. Although intellectual development is highly desirable, may I suggest that you give much consideration to your spiritual development as well.

Finally, "Hitch your wagon to a star", move forever onward and upward, and may He who controls the universe shower His blessings upon you always.

*Robert Q. Tate
Asst. Prin. for Adm.*

Sharing with you this important period of your development is a privilege which I shall always cherish. I have found great pleasure in watching you grow during your past high school years. As you encounter the future, I bid you Godspeed.

Asst Principal for Instruction*

B.S.C.S. Biology

B.S.C.S. Biology stresses the ecological approach of learning by doing. Biology not only grows but develops. There is accretion of new facts, discovery of new phenomena. But there is also something more. As new data are uncovered and new knowledge formed, the older body of knowledge is re-formed, reorganized to allow for the new and to put old and new into connection with one another.

Message of Appreciation

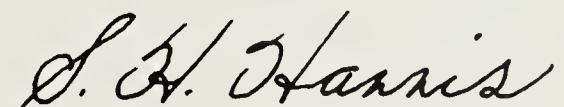

(To Parents, Patrons, and Co-workers)

With the completion of the Tiger for 1963-64 comes the realization that the job would have been a little harder, or even impossible, had it not been for the guidance and assistance of certain individuals.

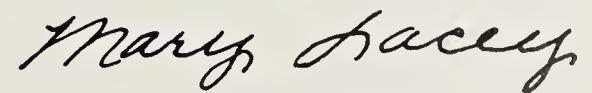

In putting together a publication, such as the Tiger, the sponsors often find it necessary to call on many people at random for help in administration, layout, photographic problems, etc. To these persons who have contributed toward the publication of this annual in any way, we extend our sincere thanks. Although it is difficult to assign credit to all the deserving souls who have given their time and effort toward this production, it is still harder not to mention the few individuals who have contributed so greatly. Therefore, we would like to express our gratitude to Mr. James Powell for his photographic and administrative work in connection with the publication of this annual and to Mr. Eugene Skinner for the use of scientific equipment in the development of our photographs.
